Work to Start On (date)	Completion Date	
Attach Detailed Site Drawing Showing All Dimensions from Right of Way and Existing Improvements.		

TYPE OF SURFACE where the cut is to be made is _____
PURPOSE OF OPENING: _____

CHARGE: Enclosed please find my certified check for _____ (\$ _____ Dollars).

ESTIMATED COST OF LABOR AND MATERIAL TO RESTORE THE COUNTY PROPERTY CUT INTO OR DAMAGED BY THE APPLICANT TO CONDITIONS AS SPECIFIED BY CURRENT RIGHT OF WAY ORDINANCE.
\$(_____) DOLLARS.

MAINTENANCE BOND: A maintenance bond will be required on each permit which will be one hundred percent (100%) of the estimated cost of labor and materials to restore the county property cut into or damaged by the applicant to its conditions as stated above which is to remain in effect for a period of one year from the date of completion of the proposed work, said date being established by the Gila County Engineering Department upon notification of completion of said work.

I agree:

To furnish a drawing showing size, type, controlling dimensions, etc., of the proposed improvement relative to existing pavements, existing structures, existing right of way, and existing utilities;

To erect and maintain all necessary barricades, detour signs and warning lights in accordance with the manual on Uniform Traffic Control Devices for Streets and Highways required to safely direct traffic over or around the part of the street where the above described work is to be done so long as the work in any way interferes with traffic;

To move or remove any structures installed under this permit, should future traffic conditions or street improvements necessitate and when requested to do so by the Engineering Department.

Final restoration of county property cut into or damaged, including said street and lateral cuts by applicant must be restored to conditions as specified by Right of Way Ordinance within five (5) days after backfilling of cut unless prior approval is acquired from the Engineering Department.

(I) (We) the undersigned, hereby apply for a permit from Gila County for the above. (I) (We) understand and accept the terms and conditions of the Right of Way Ordinance and that the approval of the County must be obtained for issuance of this permit. On completion of the installation, persons doing such work must notify the Gila County Engineering Department that work has been completed and is ready for inspection and acceptance. The applicant shall also comply with the regulations of all other governmental agencies.
